SIR,

With reference to Order No 16460-1/EdF15-96 dated 12th June 1901, I have the honour to inform you that the Principal of the Medical College Madras has reported the absence from College up to date of Putty Krishna Rao B A to whom a Medical Scholarship was given by the above Order For the scholarship vacated by Putty Krishna Rao two of the original applicants who have joined the College without scholarships are claimants viz Elias T E Brito and I S Nanjundia

2 *A special reference to the first of these claimants was made in my letter No 10856/480 dated 1st June Since the date of that letter he has produced evidence to show that his late father who died about six years ago had settled for about thirty years as a coffee planter in the Kadur District that one of his brothers is still managing some of the coffee estates in that District and that his mother as soon as the education of her third*

Ed 83-00 SC I

third son in St Aloysius' College Mangalore is completed intends to settle down permanently at Tarikere Under these circumstances I see no objection to consider him as a native of Mysore He has passed the F.A Examination and his school and college testimonials are good and Justice Best recommends that a Medical scholarship may be given to him

3 N S Nanjudia has passed the F A Examination from the Central College but produces no College testimonials He is the son of a Driver of the Standard Life Assurance Company and is a native of Mysore

4 Under the above circumstances and as the two Medical scholars are both Brahmins I recommend that the vacant scholarship of Rs 25 tenable for 5 years may be bestowed upon Elias T C Brito who is a Native Christian with effect from the 1st July 1901 subject to the usual condition of satisfactory reports being received from the Principal of his attendance progress and conduct

I have the honour to be

Sir

Your most obedient servant
